FOR IMMEDIATE RELEASE

THE IMPLEMENTATION OF THE NEW APPROVED FARES IN CAPE COAST

The Office of the Metropolitan Chief Executive of Cape Coast, Honourable George Justice Arthur has received complaints that some commercial drivers have blatantly refused to adhere to the new approved fares as announced by the leadership of the Road transport unions.

The new fares which took effect on the 24th of May, 2025 had transport fares reduced by 15% and cover shared Taxis, Intra City (Tro-Tro), Intercity (Long Distance) and Haulage.

Henceforth, any commercial driver found violating this directive commits an offence and would be dealt with in accordance with the law.

The Assembly has deployed officers at vantage points in the metropolis to ensure full compliance.

We kindly request the co-operation of all and encourage the public to report any commercial driver who refuses to charge the new approved fares to the nearest police station for the necessary action to be taken.

For further information kindly contact this number 0242706283.
